

CLEAN COPY OF CLAIMS
FOR FIRST OFFICE ACTION

CLAIMS

I claim:

1. A pest trap, comprising:

- a. a hollow, outer housing with a flat bottom member, said outer housing including an upper lid member that has an outer shape and color to simulate a rock and a lower bottom member, said outer housing having an inner cavity and a partially concealed first side tunnel to provide access to said inner cavity;
- b. at least one pest opening formed on said first side tunnel to access said inner cavity;
- c. a holding tray disposed inside said inner cavity;
- d. a pest terminating means located inside said holding tray; and,
- e. means to pivotally attach said lid member to said bottom member.

2. The pest trap as recited in Claim 1, further including an opening formed on said bottom surface to enable said holding tray to be placed inside said inner cavity.

3. The pest trap as recited in Claim 2, including means to attach said holding tray over said opening formed on said bottom surface.

4. The pest trap as recited in Claim 1, wherein said at least one pest opening on said first side tunnel is at least one inch in diameter.

1

5. (cancelled)

2

3

6. The pest trap as recited in Claim 1, wherein said pest terminating means is a chemical rodenticide.

4

5

6

7. The pest trap as recited in Claim 1, further including a means for holding said outer housing to the ground.

7

8

9

8. The pest trap as recited in Claim 7, wherein said means for holding said outer housing to the ground is a ground-piercing stake.

10

11

12

9. The pest trap as recited in Claim 1, wherein said outer housing has an outer appearance that simulates a granite rock.

13

14

15

10. The pest trap as recited in Claim 1, further including a partially concealed second side tunnel formed on said outer housing opposite said first side tunnel.

16

17

18

11. The pest trap as recited in Claim 10, further including a pest opening formed on said second side tunnel enabling a pest to enter said inner cavity.

19

20

21

12. The pest trap as recited in Claim 11, wherein said pest opening on said second side tunnel is approximately one inch in diameter.
